MINISTRY OF FOOD AND AGRICULTURE

(Department of Agriculture, I.C.A.R.)

New Delhi, the 30th May, 1957

S. R. O. 2037.—In pursuance of the provisions of Rule 13(4) of the Indian Cotton Cess Rule, 1923, framed under section 15 of the Indian Cotton Cess Act, 1923 (14 of 1923), the Central Government hereby publishes the Audit Accounts of ‘Receipts and Expenditure’ of the Indian Central Cotton Committee, Bombay, for the year ending 31st March, 1956 along with the Auditor’s Report.

The Audit of the accounts of the Indian Central Cotton Committee, Bombay, for the year 1955-56 was conducted between 7th July, 1956 and 1st October, 1956.

The following observations are made:—

PREVIOUS AUDIT

2. (a) *Para 4 of Audit Report for 1951-52.*—The Sinking Fund Account is unnecessary and it may please be seen that the same is closed immediately. The Secretary has, however, explained that this fund will be closed immediately after the sale proceeds are credited to the accounts of the Committee. A further report is awaited.

(b) *Para 4 of Audit Report for the year 1953-54.*—Final adjustment of the amount of Rs. 5,32,116/- payable to the Government of India is awaited. *Vide also remarks contained in para 10(b) below in this connection.*

(c) *Para 2 of Audit Report for 1954-55.*—A reference in this connection is invited to the Government of India, Ministry of Food and Agriculture, letter No. F.1-86/55-Com. II, dated the 17th April, 1956. A further communication in respect of deletion of Rule 13 of the Provident Fund Rules of the Indian Central Cotton Committee, Bombay, is awaited.

(d) *Para 4 of the Audit Report for 1954-55.*—The Government of India in their letter referred to in para 2(c) above, have stated that the question of application of Fundamental Rules and Supplementary Rules to the staff of Indian Central Cotton Committee, Bombay, is under consideration. Further communication in this matter may please be expedited.

CURRENT AUDIT

3. Statements showing receipts and payments for the year ended 31st March, 1956 of the Committee's Account and Provident Fund Account of the employees are appended to this report for information.

4. *Inadequate arrangement for watching the collection of Cotton Cess Revenue.*—During the year 1955-56 an amount of Rs. 12,95,232 (in round figure) was collected by the respective collecting authorities of the States and the ports in India and credited to the account of the Indian Central Cotton Committee in the State Bank of India, Bombay. The cotton cess is leviable at Rs. 0-4-0 per bale of 400 lbs. The number of bales on which cess is collected thus works out $12,95,232 \times 4$ or 51,80,928 bales of 400 lbs. each.

The accompanying statement 'C' will indicate the number of bales of cotton actually consumed in the Mills in India as well as the number of bales exported outside India as reported by the Collectors of the Districts in India and the Collectors of Customs. It will be seen therefrom that as against the total number of bales of cotton amounting to 54,51,740 bales, cess is collected only on 51,80,928 bales i.e. cess is yet to be collected on $(54,51,740 - 51,80,928) = 2,70,812$ bales of cotton which works out to Rs. 67,703/-

Again, from the statement it will also be seen that from the statistical information collected by the Indian Central Cotton Committee both from the Textile Commissioner, Bombay and the Director General of Commercial Intelligence, the number of bales both consumed in India and exported outside India is reported to be 54,88,000 bales of 400 lbs. each, as against 54,51,740 bales reported by the various collectors and Collectors of Customs. The difference between the two sets of figures viz. 36,260 bales of cotton has not yet been reconciled by the Committee's office. Assuming the statistical information furnished by the Textile Commissioner and the Director General of Commercial Intelligence as correct, there will be further arrears of cess due on 36,260 bales of cotton amounting to Rs. 9,065/-. Thus total arrears to the extent of Rs. 76,768/- (Rs. 67,703 plus Rs. 9,065) are still due for the year 1955-56 in addition to the arrears due for the previous years. Expeditious action may please be taken to reconcile the difference between the figures reported by the Collectors and the Statistical information furnished by the Textile Commissioner and Director General of Commercial Intelligence, Calcutta, and to collect the arrear cess of Rs. 76,768/- due for the year 1955-56 in addition to the arrears due for the previous years pointed out below.

It was explained by the Office of the Committee that the responsibility for proper assessment, collection and remittance of cess rests with the District Collectors and the Collectors of Ports in accordance with sections 6 and 7 of Indian Central Cotton Committee Act, 1923. The office of the Committee at Bombay maintains a register in which monthly dues from the mills or the exporters and the collections made thereagainst, are noted in the register on the basis of the collecting officers' reports and intimations received from the State Bank of India, Bombay. But it is seen that there are many instances in which statements showing the consumption of export of cotton bales are not received from the respective officers despite reminders and thus a considerable portion of revenue remains unaccounted for in the Committee's Books. Besides this there may be many mills in India and a few exporters who might not have intimated their consumption or export to the Collectors or to the office of the

Indian Central Cotton Committee, Bombay. As, however, an effort is made by the Office of the Committee to note credits against the information about monthly dues millwise or portwise received by it, the Secretary's office is aware of the inordinate delay in the collection of cotton cess which may result in losses due to lack of demand in time and also due to want of information of consumption or exports from some parties. A general review of the register showed that arrears pertaining to the periods even prior to 1952 are outstanding as information about assessment is not received from many parties. At the instance of audit, the amount of arrears as shown in the register maintained by the office of the Committee for the period upto 31-3-1956 was worked out and it stood at Rs. 1,15,922-11-11, till the end of August 1956. There will be a further addition to these arrears as intimations about consumption from some mills in Part A States and a large number of mills in Part B States have not yet been received by the Secretary, Indian Central Cotton Committee, Bombay, through the respective collecting authorities and the mills and exporters. Arrears lists as on 31-3-56 may now be worked out and the position brought to the notice of the Government of India, taking action at the same time for recovering the old outstanding arrears as expeditiously as possible with a view to avoid a considerable loss to Government.

5. *Transfer of cotton cess to the Consolidated Fund of the Government of India.*—(a) Though the Government of India in their Ministry of Food & Agriculture (Agr.) letter No. F.9-57/5-Com. I, dated the 24th February, 1956, have issued orders that the Cotton cess collections for the period from 1st April 1956 should be transferred to the Consolidated Fund of the Government of India instead of adjusting them to the credit of the Indian Central Cotton Committee, Bombay, it is, noticed that cotton cess for the period from 1st April 1956, is still being credited to the accounts of the Indian Central Cotton Committee Fund in the State Bank of India, Bombay instead of crediting it to the Consolidated Fund of India. It was, however, seen that the Committee has written to the Government of India Ministry of Food in their letter No. A/359/5817 dated 21st May 1956 regarding the procedure to be adopted for transferring the amount relating to the period after 1st April 1956 to the Government of India's account. Government's reply is awaited. The total collections from 1st April 1956 to 31st August 1956 on account of cotton cess credited by the State Bank of India, Bombay to the account of Committee, amounts to Rs. 4,95,786/-. This amount includes cess collections pertaining to the period prior to 1st April 1956 also. The Committee's office is not maintaining the cotton cess register relating to the period from 1st April 1956, onwards. Under the new procedure for the collection of cess, the committee is not responsible for the maintenance of the cotton cess collection register for the period from 1st April 1956 onwards as the cess amount is to be credited to the Consolidated Fund of India without entering the committee's account. The Committee may be requested to work out the amount payable to the Government of India and to credit the same to Government account in the Reserve Bank of India at once. It may also please be stated for the information of audit as to what arrangements have been made to keep proper watch on the recoveries of cotton cess collections for the period from 1st April onwards and for its account under the proper head of account of the Government of India.

(b) The Government of India in their Ministry of Food & Agriculture (Indian Council of Agricultural Research) letter No. 3-57/52-Com. I dated the 2nd August 1956, have allowed the Indian Central Cotton Committee, Bombay, to retain the cotton cess collections pertaining to the period prior to 1st April 1956 and recovered after 31st March 1956. As the cotton cess collected under the Act of the Government of India is Public Revenue and in view of the fact that the Indian Central Cotton Committee would be financed from the Budgetary Provision made by Government it is presumed that the collections on account of cess revenue for the period prior to 1st April 1956, have been allowed to be retained by the Committee for meeting the expenditure till grants are made available by Government and that the amounts retained by the Committee will be taken into account while finalising the grants payable to the Committee from the year 1956-57 onwards. This may please be confirmed. The closing balance of cash and securities etc. as on 31st March 1956, stands at Rs. 33,18,725-14-8. It is requested that the available balance with the Committee on a particular date may be transferred to the Personal Ledger Account which is being opened in the Reserve Bank of India, Bombay as pointed out in para 9 below. As this will be a Government of India Personal Ledger Account, the accountal arrangements to be made to adjust the balances held now by the Committee in the State Bank of India, may please be communicated for information and necessary action by the Accountant General, Bombay.

6. *Accountal of Cotton Fund receipts under Committee's Funds.*—It was noticed during the course of audit that amounts of sale proceeds collected by the schemes financed under Cotton Fund throughout India and intimated to the Secretary, Indian Central Cotton Committee, Bombay, through the annual returns of the schemes, are being classified as 'Miscellaneous receipts' under cotton cess instead of under 'Cotton Fund'. The miscellaneous receipts belong to the Government of India as the expenditure for financing the schemes is provided for by the Government of India direct from Budget provision for Cotton Fund. It is irregular to account the cotton fund receipts belonging to the Government of India in the accounts of the funds of the Committee. The recoveries should have been brought to the notice of the Government of India at the time of sending budget figures every year to the Government of India under "Cotton Fund". The amount of miscellaneous receipts transferred to the Committee's fund during 1952-53 to 1955-56 as seen from the "Journal Entry Register" works out to over Rs. 42,000/-. The correct amount wrongly credited to the Committee's accounts instead of to the Government of India's Accounts may please be worked out immediately and paid to the Government of India. Similar items of receipts for the period prior to 1952-53 may also please be worked out and paid in the Reserve Bank of India, Bombay, to the account of Government of India under intimation to audit.

7. *Realisation of the value of 6 per cent Rangoon Municipal Bonds 1955.*—The Indian Central Cotton Committee, Bombay, holds Rangoon Municipal Bonds, 1955, of the face value of Rs. 3,83,500. The date of maturity of these Bonds is 1st October, 1955, and the bonds have been sent by the State Bank of India, Bombay, to its Calcutta Branch for collecting redemption value of the same. The connected papers in the office of the Secretary, Indian Central Cotton Committee, Bombay, show that the value of the Bonds has been realised and is lying with the Rangoon Branch of the State Bank of India pending release certificate for the transfer of cash from the Government of Burma to the Government of India. It is pointed out that such a large amount should not have been kept idle without any interest. Efforts may be made at Government level to get the cash at a very early date. The amount of sale realisation may please be ascertained now and necessary action taken for the speedy realisation of the money through the Exchange Control Section of the Reserve Bank of India. If it is found that this is not possible within a reasonable time, the question of investing the amount at Rangoon in short term fixed deposits in the State Bank of India may please be considered immediately.

8. *Capital Assets in Pakistan.*—Under D.O. letter No. 7566, dated the 11th May 1950, of Shri K. Sawhney, Secretary, Indian Central Cotton Committee, Bombay, to Shri J. V. A. Nehru, Under Secretary to the Government of India, Ministry of Agriculture, New Delhi, a list showing a total amount of Rs. 1,13,254-1-4 on account of value of deadstock articles and cash balance left in Pakistan in respect of the schemes financed by the Government of India and the Indian Central Cotton Committee was sent to the Government of India. The correct amount of the Assets and Liabilities of the Committee as at 14-8-1947 is however still being collected by the Committee's Office from various State Governments. The settlement of this recovery from the Government of Pakistan may please be expedited.

9. *Opening of a Personal Ledger Account in the name of the Secretary, Indian Central Cotton Committee, Bombay.*—Under para. 2 of the Government of India, Ministry of Food & Agriculture letter No. F.I-56/52-C.5 dated the 14th February 1956, the Secretary Indian Central Cotton Committee, has been directed to deposit the securities held by the Committee into the Reserve Bank of India, Bombay. Subsequently, the Government of India, in their Ministry of Food and Agriculture (Indian Council of Agricultural Research) Notification No. F.I-57/56-COM-II dated 14-16th August 1956 have amended Rule 14 of the Indian Cotton Cess Rules, 1923 to the effect that the funds of the Committee should be kept within Government Account in a Banking or non-banking treasury of Government. For this purpose, a personal Ledger Account of the Committee has been sanctioned at a Government Treasury or a branch of the State Bank of India acting as agent of the Reserve Bank of India, for depositing all monies at the disposal of the Committee with the exception of petty cash to that account. Sub-clause 4 of the said Rule also provides that the monies already placed in fixed deposit or invested in Government securities and the like should be paid into the P.L.A. as and when the investments mature i.e. when the proceeds of the investments are actually realised as no fresh investments of the Committee's surplus funds are hereafter permissible.

Action taken to comply with the above directives of the Government of India may please be intimated.

10. *Budget Provision for expenditure under Cotton Funds.*—(a) The expenditure under Cotton Fund during 1955-56 was Rs. 12,58,450-11-10. It is seen that the Budget provision of Rs. 14,18,420-0-0 was not operated. The schemes under cotton fund were financed at the beginning of the year from the available unspent balances under Cotton Fund, viz. Rs. 2,34,594-9-5 as on 1st April 1955, and the remaining expenditure of Rs. 10,23,856-2-5 has been incurred by the Secretary, Indian Central Cotton Committee, Bombay, from the Cotton Cess receipts available with the Committee. The circumstances under which the Indian Central Cotton Committee was allowed to spend the cotton cess revenue to finance the scheme under Cotton Fund even though necessary budget provision was obtained by the Indian Central Cotton Committee, may please be stated. Had the necessary amounts required for financing the schemes under Cotton Fund, been made available to the Committee, the unnecessary expenditure of Rs. 6/8/- and Rs. 7,770-13-4 on account of interest on overdraft and loss of premature sale of securities of the face value of Rs. 4,00,000/- (3 per cent. Government of India Loan 1959-61) respectively, could have been avoided. In addition to this, a recurring loss of interest on the securities which amounts to Rs. 12,000 per year would have also been saved.

(b) While communicating their sanction to a net grant of Rs. 8,11,043-6-7 to the Indian Central Cotton Committee for the year 1955-56, the Government of India, in Ministry of Food and Agriculture letter No. F.1-9/55-Com. II dated 29th March 1956 have set off the unspent balance of grants of previous years amounting to Rs. 2,34,594-9-5 on 1st April 1955 and interest amounting to Rs. 5,32,116 earned by the Committee on investments of such balances upto 31st March 1955, against the total provision of Rs. 13,77,754 for research Schemes on cotton as shown in the Revised Estimates of 1955-56. However, no payments on account of the grants were made to the Committee with the consequence that the interest amount of Rs. 5,32,116 continued to be locked up with the Committee's Funds during the year without being credited to Government Account. The Committee will thus be liable to pay the interest on this amount at the same rate as they have earned on the other investments of the funds of the Committee, till the interest amount of Rs. 5,32,116 is actually credited to Government. Further, as the above sanction of the Government of India has not been actually operated, the utilisation of the unspent balance of grants of Rs. 2,34,594-9-5 for financing the cotton research schemes during the year 1955-56 is in contravention of the procedure laid down in the Ministry of Food and Agriculture letter No. F.3-30/51-C-J dated 27th March 1953.

The interest earned by the Committee on their total investments of Rs. 32,33,500 during the year works out to Rs. 1,20,209-3-6. Proportionately, the Committee would have earned an interest of Rs. 19,718 approximately on the sum of Rs. 5,32,116 due to be credited to the Cotton Fund of the Government of India. The Committee may, therefore, be directed to credit the Government of India the sum of Rs. 5,32,116 plus Rs. 19,718 being the interest due on Rs. 5,32,116 during 1955-56 approximately plus the interest due from 1-4-56 to the actual date of credit of the accumulated interest amount.

11. *Administration charges for Secretary's Office.*—The expenditure on Administration of the office of the Secretary, Indian Central Cotton Committee, Bombay, increased from Rs. 3,06,316-6-9, in 1954-55 to Rs. 3,42,892-5-3, in 1955-56. The expenditure under Administration is comprised of Establishment charges and contingencies. The increase in expenditure was mainly due to creation of new posts, revision of pay scales of some of the posts, additional expenditure on maintenance and upkeep etc. sanctioned by the Committee under the powers vested in it as per Indian Cotton Cess Act, 1923. In this connection a reference is invited to the Government of India, Ministry of Agriculture D.O. letter (signed by Shri A. N. Beri) No. F. 41-3/49-Com., dated the 30-9-50, addressed to Shri K. Sawhney, the then Secretary, Indian Central Cotton Committee, Bombay. In this D.O. letter, Government of India, have in consultation with their Law Ministry, stated that as the funds are provided by them either directly or indirectly they are under a public duty to scrutinise and adjudge the reasonableness or necessity of any proposed expenditure within the compass of the Act constituting the Committee and the rules made thereunder. This decision will also apply even to cases where the Committee is competent to revise scales of pay of the staff upto Rs. 500/-. It is, however, noticed that all cases of sanctions involving increased expenditure are not being referred by the Committee to the Government of India for scrutiny and approval. In view of the position clarified in the above D.O. letter, it may be considered whether it is not necessary for the Committee to secure approval of the Government of India on all occasions relating to revision of scales, creation of new posts and new items of additional

expenditure. The Government of India are requested to scrutinise the reasonableness and admissibility of expenditure involved in the following cases in particular, with reference to the D.O. letter pointed out above.

(a) Pay scale of the Statistical clerks (scale of pay 55-3-85-E.B.-4-125-5-130), which has been revised to Rs. 85-5-100-E.B.-10-150-E.B.-10-280, from 12th July 1954, under the orders of Standing Finance Sub-Committee at the 253rd meeting—subject No. 18, has not been approved by the Government of India, though in respect of the revision of scales mentioned in Statement A attached to this report, Government of India have conveyed their approval to the action of the Committee in revising the scales, *vide* Ministry of Food & Agriculture letter No. 1-81/66-Com. II, dated 4th October 1956.

(b) The duty allowance of Rs. 30, which is being paid to the First Reporter under the orders of the Standing Finance Sub-Committee at its 256th meeting (subject No. 24) has not been reported to the Government of India for their approval. Certain persons were also granted advance increments under F.R. 27, *vide* two cases mentioned in the Statement 'B'. Though this fact has been reported to the Government of India in the Committee's Annual return furnished under No. A-474-11/7928, dated 3rd April, 1956, the approval of Government of India to the grant of such advance increments has still not been communicated.

(c) The following rates of honorarium to the staff for sitting late hours in the office has been sanctioned by the Indian Central Cotton Committee, Bombay, under office order No. A. 521/380, dated the 3rd July, 1953:—

Hours of late attendance	Class II Staff	Honorarium payable Class IV Staff
8 to 10 P.M. on week days and 4 to 6 P.M. on Saturdays or before 8. 30 A.M.	Rs. 2/8/-	Rs. 1/4/-
10 P.M. and after, on week days and 6 P.M. after on Saturdays.	Rs. 5/-	Rs. 2/8/-
Beyond mid-night	Rs. 7/8/-	Rs. 3/12/-
Beyond 2 A.M.	Rs. 10/-	Rs. 5/-

The amount of honorarium paid to the staff during the years 1955-56 and 1956-57 (to end of 23rd October 1956) works out to Rs. 1,437-15-0 and Rs. 406-6-0 respectively though in no case, it has exceeded the individual paylimit during any month.

Such allowances are not admissible under F. Rs. & S. Rs. As these allowances are of the nature of additions to pay, it is suggested that orders of Governments for the introduction of the payment of honorarium may please be obtained and communicated to audit.

(d) An amount of Rs. 602-11-0, paid in excess to Shri Rajaraman on account of house-rent allowance has been written off by the Committee (*vide* subject No. 7 of the S.F.S.C. meeting dated 28th July, 1956). The Committee does not appear to have been delegated with any powers for such writes off. It is, therefore, suggested that orders of the Government of India for the write off of the amount of Rs. 602-11-0 may please be obtained and communicated to audit.

(e) (i) Under the orders issued by the Government of India, Ministry of Food & Agriculture (Agriculture), Shri P. D. Nair, the former Secretary of the Indian Central Committee, Bombay, was to get house-rent allowance at the rate admissible to a Government servant of his status. But it is noticed that the Indian Central Cotton Committee, Bombay has borne the entire amount of Rs. 528-12-0 paid every month on account of rent of flat occupied by Shri Nair with the exception of recovery of 10 per cent. of his pay. The excess expenditure of Rs. 206-4-0 P.M. over the limit of 12½ per cent. of pay has been paid by the Committee without obtaining sanction of the Government of India. The orders of Government sanctioning the appointment of Shri Nair as Secretary, Indian Central Cotton Committee, do not say that Shri Nair should be provided with housing accommodation at the cost of the Committee's funds. It is requested that the total amount of Rs. 4,264, borne by the Committee for the period 12th February 1954 to 2nd November 1955, may please be recovered from Shri Nair or regularised under the orders of the competent authority i.e. the Government of India.

(ii) Audit had enquired whether the rate of Rs. 528-12-0 paid on account of the flat occupied by Shri Nair was inclusive of specific taxes. It was explained that the office of the Secretary Indian Central Cotton Committee, Bombay, had no information about this. It is, however, promised that necessary information is being called for. Failure to scrutinise the rent bills to find out recoveries due from the officer as per Committee's as well as Government orders, is brought to the notice of Government. Further communication in respect of necessary recoveries from the officer on account of charge of specific taxes, is awaited. Similar taxes should also be recovered from the present Secretary, in addition to the recovery of rent made at present at 10 per cent. of his Pay and allowances as defined in F.R. 45. (c) for purpose of rent from the date of occupation.

(f) An air conditioning plant was purchased for Rs. 2,672-3-0 from Voltas Ltd., and paid for on 1st September 1956. This additional plant was stated to have been purchased to accommodate the President and the members of the Standing Finance Sub-Committee. Similarly on 1st April 1955 an amount of Rs. 2,500, was paid to the Bombay Telephone Co. Ltd., for the installation of a telephone at the residence of the Deputy Secretary. In the absence of any specific provision for these items or expenditure in the Budget Estimates, these are all new items of expenditure (*vide* General Financial Rule 67 (vol. I) and approval of Government may please be obtained and communicated to audit.

BEFORE THE SOLE MEMBER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, CALCUTTA

APPLICATION NO. 31 OF 1957 (U/s.33A).

(In Reference No. 1 of 1956)

Mazahar Ali, Pump Driver, Calcutta, Port Commissioners, C.M.E. Department, C/O. Calcutta Port Commissioners Workers, Union No. 3 Jey Krishna Paul Road, Calcutta-23—Applicant.

Versus

The Commissioner for the Port of Calcutta, 15 Strand Road, Calcutta-1—Opp. Party.

In the matter of an application under Section 33A of the Industrial Disputes Act, 1947.

Present

Shri A. Dass Gupta—Sole Member.

Appearances:

Shri A. L. Roy, Officer of the Calcutta Port Commissioners Workers' Union, for the workman, applicant Shri G. U. Kundu, Assistant Superintendent C.P.C. for the Opposite Party.

AWARD

The present application under section 33A of the Industrial Disputes Act, 1947, has been filed by one Mazahar Ali, Pump Driver under the Chief Mechanical Engineer, Port Commissioners, Calcutta, complaining that he was served with notice on 18th January, 1957 terminating his services on the ground of his attaining the age of superannuation with effect from 21st February, 1957. The applicant alleges that although under the Rules of the Port Commissioners, a certificate of age is obtained from the Medical Officer in respect of all inferior officers before superannuation, no such certificate was obtained in his case and he was asked to retire without permission of this Tribunal in violation of Section 33 of the Industrial Disputes Act. The application is opposed by the Opposite party, Port Commissioners, Calcutta.

The applicant was appointed on 20th February, 1929 and the sworn testimony of the applicant is that he got his Service Book after 5 or 6 years in which his age at the time of his appointment was entered by Mr. Morris, the then Engineer-in-Charge of the Hydraulic Power Station. The applicant is half literate. Prior to 1953 there was no rigid rule in the Port Commissioners about the age of superannuation of inferior officers. In 1953 the Port Commissioners fixed 60 years as the age of superannuation for the inferior officers. Prior to the introduction of the superannuation rule fixing 60 years as the superannuation age, the workers could not understand the implications of this rule. Immediately after the applicant came to know that he was to retire on completion of 60 years in age, he made several representations to the authorities for verification of the entry in the Service Book about his age by medical examination. Prior to the introduction of the superannuation age, the Port Commissioners laid down some procedure for ascertaining the age of a worker. The procedure as introduced by Circular Letter dated the 16th February, 1948 is reproduced below:—

"The Chairman directs that in future when a member of the inferior staff is sent to the Medical Officer for examination prior to recruitment the Medical Officer should be asked to record on the medical certificate his opinion as to the man's age.

As regards men already in the service, he further directs that where record of the age of a member of the Inferior Staff exists in any official document, the age as recorded should be accepted unless its correctness is challenged on good grounds by the employee concerned or the Head of his Department or Section has reason to believe that the age as recorded is patently absurd.

In either event, the employee concerned should be sent to the Assistant Surgeon, Dock Hospital for a certificate of age."

The applicant challenges the entry in the Service Book about his age on the ground that the entry was made only by guess even without consulting him. He denies to have had any Horoscope or any evidence of his age. These facts were brought home to the Port Commissioners and in fact, the applicant appears to have been sent to the Medical Officer in 1955 and the applicant sworn testimony is that the Medical Officer told him that he would be examined on some other day. This was reported to the Clerk who had sent him to the Medical Officer and Mazahar Ali states that he could not re-appear before the Medical Officer without any authority from the Office. In all fairness Mazahar Ali ought to have been sent again to the Medical Officer for the verification of his age and he ought not to have been superannuated before such verification was obtained. The circular letter of 1948 became a part of service conditions of all workmen who were either in employment of the Port Commissioners on the date of the letter or were appointed subsequently to it. In the circumstances of the present case, I hold that there has been alteration in the service conditions of the applicant and this alteration was made without permission of this Tribunal. I accordingly allow the application and direct the opposite party, namely the Port Commissioners, Calcutta to get the age of the applicant verified by a Medical Officer as indicated in the circular letter No. 6749/8 dated the 16th February, 1948. The applicant shall be superannuated on the date on which he completes 60 years of age, according to the opinion of the Medical Officer. If such date is beyond the 20th February, 1957, the applicant shall be deemed to have been in the employment of the Port Commissioners till such date and shall be entitled to wages and other benefits which he would have been otherwise entitled to upto the date of his superannuation. The application is disposed of accordingly. The Port Commissioners shall have the discretion to re-employ the applicant till the final decision is taken as indicated.

Parties to bear their own costs.

Central Government Industrial Tribunal, Calcutta.
